

Coming this summer, CPFCU will have a *new* operating system!

Why switch systems?

With our new system, you'll enjoy:

- Online account and loan applications
- Faster transaction processing
- Quicker teller lines
- Signature pad convenience
- New audio teller/ phone banking system
- Plus much more!

What does this mean for me?

We will close at 5 PM Friday July 27th to implement the system upgrade.

We will reopen on Monday, July 30th with our new system!

During the implementation weekend, you will be able to write manual checks and use your debit card and credit card,

however you will not have access to:

- Branch/Drive thru transactions
- Call Center transactions
- Audio Teller transactions
- CU Service Center Transactions (Shared Branching)
- Online Home Banking/ Bill Pay
- Mobile Banking

What should you do if you still have questions?

Feel free to contact CPFCU any time before the conversion to go over any questions or concerns that you may have.
